Dear Mr. Jones,

Thank you for writing the Hollywood Chamber of Commerce on the behalf of the "Wizard of Oz" Munchkins. Your efforts worked, they have granted us our "Star".

Being a part of this movie not only let me meet thousands of fans, it has helped me spread the magic of "Oz" by raising money for several local and nationwide charities.

Once again, thank you and I am sending you a BIG MUNCHKIN HUG !

Yours truly,

Mickey Carroll
